

Eco Week Newsletter

Once again we would like to celebrate Earth Week by having an Eco activity everyday for the week of April 17-21

Monday- Easter Monday

Tuesday- Turn off the Lights Tuesday (weather permitting)

We are encouraging all families to use natural light until it is dark. We are also going to natural light all day at school.

Wednesday – Walk to School Wednesday

Students are encouraged to walk to school with their families. For students that live too far to walk, we will have meeting points in which you may drop off your children. The meeting areas are as follows: Silvercreek/Paisley – Marianne will leave by 8:00 am, and walk towards Sunny Acres Park. Sunnyacres Park - students will wait for Marianne and leave the park at 8:20am. Boathouse – meet Brigette by 8:00 am to start walking to the school. Parents are welcome to walk with us.

Thursday – Book Swap Thursday

Students may bring a book to school that they have already read and are willing to part with. They can then choose another book that is brought in from another student in exchange.

Friday – Green Friday

Students may wear green clothing. If the weather is nice we may be in the gardens. Students are encouraged to bring in old cell phones, printer cartridges, cameras and laser cartridges to school for our Think Recycle program. The Eco- Maniacs will have a **bake sale** after school on this day to raise money for eco projects. You are welcome to drop off any baked goods in the upper elementary room.

Thank you in advance for your help and cooperation with our Earth Day Activities,

The Eco-Maniacs
